

Da-Lite Elpro Concept, 244 x 390 cm with Matte White Non Tensioned - 10143501 SKU: 10143501

When the case of the projection screen cannot be installed into the ceiling, offer the elegant, high-end designed Elpro Concept instead. Da-Lite raises the bar for every wall or ceiling installation. The leaf-shaped case of the Elpro Concept offers a stylish solution for design-sensitive installations. The entire range of Elpro Concept is available up to a width of 400 cm wide and comes with a 5 year limited warranty. Please note: Adjust the unrolling settings of the projection surface only if absolutely required. Altering these settings may lead to a less uniformly flat projection surface. Also please be aware that modifying limit switches on tensioned projection screens will have an even more significant impact on surface flatness.

- Stylishly designed electric projection screen for wall or ceiling mounting. If you cannot hide the case into the ceiling, use a projection screen that is worth noticing.
- A five year limited warranty on the Concept range to match the high quality of the products.
- Easy to mount onto a wall or ceiling thanks to the Easy Install system.
- Thanks to Easy Install plug and play connecting the screen to power or one of the many accessories is quick and easy.
- The case and the projection screen surface can be made to exactly the right size and the case is available in any colour for optimal integration into any interior.
- Limit switches are factory set guaranteeing a long life span. The Elpro Concept is supplied with a wall switch.
- New user friendly packaging for an even faster installation.
- High speed motor which is mounted in rubber dampers for low noise operation.
