

75-inch Class 4K entry-level display that flexibly matches corporate meeting rooms and educational use.

TH-75CQE2

The Panasonic Connect TH-75CQE2 4K Professional display is designed for 16-hours/day continuous operation and crystal-clear viewing clarity. The display provides a brightness of 400cd/m² with an anti-glare panel, and minimum haze treatment, reducing the reflection of ambient light and vastly improving visibility. For ultimate flexibility and a clean look without set-top-boxes or cables. the TH-75COE2 is also equipped with a built-

Key Features High image quality Reliability and ease of installation System scalability

- Excluding remote IR sensor
 Including remote IR sensor
- 3.: Based on IEC 62087 Ed.2 measurement method
- 4.: Displaying a still image for a long time may cause burn-in (image persistence
- artifacts), it could be mitigated when display video image.

 5.: Please contact your sales representative with regard to the tilt angle before installation.
